RE: VALMATIC AMERICAN BUTTERFLY VALVE

Dear Mr. Bolender:

The Fort Worth Water Department has recently completed the review of the above mentioned product and found it compatible with the other butterfly valves previously approved by the Fort Worth Water Department.

This valve and actuator with worm gear, up to 84 -inch based on E1-30 of the City's material specifications, is approved and may be specified in the future Fort Worth Water Projects.

Sincerely,

Don J. Kim, P.E.
