Mr. John Bolender
Sales Representative
Valve & Equipment Consultants, Inc.
24116 Yoakum St.
Huffman, Texas 77336

**Reference: Product Approval for:
Val-Matic American Butterfly Valves
(Sizes: 4" thru 20", Model # 2000)**

Dear Mr. Bolender:

This is to inform you that the Product Approval Committee (PAC) has reviewed your application for the subject products.

The referenced valves from Val-Matic Valve & Manufacturing are in compliance with the applicable requirements of the City of Houston Standard Specification Section 02522 (Butterfly Valves). The Committee is therefore approving the use of the products for water application. Furthermore, butterfly valves larger than 20-inches will be evaluated and approved by the City Engineer on a case by case basis.

The approved products may be reviewed periodically. Failure of a product to perform as anticipated or any reduction in product quality is a justifiable reason for removal of such product from the approved list.

Should you have any questions, please contact Arthur Morris, P.E., Chairperson, Product Approval Committee, at (713) 837-7040.

Sincerely,

Showri Nandagiri, P.E.
City Engineer

Gary N. Oradat, P.E.
Deputy Director
Engineering, Construction & Real Estate Division
